

ROBERT MORRIS UNIVERSITY ILLINOIS

Transfer of Credit

Robert Morris University accepts transfer credit from accredited institutions on a case-by-case basis. Credit will not be accepted for remedial or developmental courses. Courses accepted for transfer must be comparable to those taught at Robert Morris University and/or must be recognized as generally being applicable toward an Associate or Baccalaureate Degree. Robert Morris University allows a student with an Associate Degree of accepted transfer credit to be admitted to the University in the upper division Bachelor Degree programs when prerequisites are met.

Attendance at all post-secondary institutions must be reported, and official transcripts must be received from each college or university within five weeks of initial or return enrollment. The cumulative grade point average from all previous institutions will be considered in determining admission status, institutional grant eligibility, and initial athletic eligibility.

The maximum amount of credit that can be applied to a student's record from Ace, AP, IB, CLEP, and DANTEs is 44 quarter hours.

Credit may be awarded for D grades for transfer students with a minimum cumulative GPA of 2.0 on a 4-point scale. Transfer GPA is used for admission, grant eligibility, and athletic eligibility purposes only. The Robert Morris University GPA will be based on courses taken in residence. Semester credit is converted to quarter hours.

Credit previously earned at foreign institutions is evaluated in accordance with A.A.C.R.A.O. guidelines and may be deemed transferable to Robert Morris University. Official English evaluations must be obtained from an outside evaluator at the student's expense.

Transfer students can apply a maximum of 140-quarter hours of credit toward graduation; however, the University has a residency requirement of the equivalent of four quarters of full-time study and 48 quarter hours of earned RMU credit.

Students who wish to transfer to other colleges and universities, regardless of the course taken at Robert Morris University, should realize that the receiving institution will make the final decision regarding transfer credits.

Graduate Transfer Admission

Up to 12 quarter hours may be accepted in transfer credit applied to the degree requirements for the graduate program. Transfer credit must have been completed at a B level or higher, completed at an accredited institution, be recognized as being applicable to the proposed programs, and have been completed in the last 5 years. No credit for life experience or proficiency examinations will be applied to the graduate programs.
