EBL 100/200/300/400

Career Exploration

- Careeroneshop -- Site sponsored by the U.S. Department of Labor providing career exploration, job training and job search resources.
- Occupational Outlook Handbook -- The Bureau of Labor Statistics (BLS) compiles information and data on hundreds of occupations. Information provided includes job description, job outlook, pay scales, work environment, education requirements and links to professional associations.
- O*Net Online -- The O*NET database, contains information on hundreds of standardized and occupation-specific descriptors and provides Career Exploration Tools, a set of valuable assessment instruments for workers and students looking to find or change careers.

Company and Industry Information

- Company website – Check the “About” section of the company website
- Company annual reports (10K) may be found on company websites, library databases, or at the U.S. Securities & Exchange Commission.
- Library databases
  - Gale Business Insights: Global – Discover company profiles, histories, industry information, NAICS, financial data, S.W.O.T. analysis, market share reports and business rankings and articles.
  - LexisNexis Academic – A business and legal database that provides an overview of company information as well as SIC and NAICS codes, SEC filings and articles.
  - Mergent Intellect – Discover public and private business data, industry data and business news.
  - S&P Global NetAdvantage – Search for company and industry information, including SIC classification.
