

ROBERT MORRIS UNIVERSITY ILLINOIS

Nursing Program

APPLICATION CHECK LIST

Thank you for submitting an application to the Nursing program. Please note that admittance to the program is **competitive and space is limited**. If you have not already done so, we strongly recommend that you take the time to view the Nursing presentation on our website at robertmorris.edu/healthstudies/nursing.

The documents listed below are required as part of the admissions process. Once the documents are received, they will be reviewed along with additional information by the Admissions Review Board.

Please Note: All documents* should be submitted at the same time to ensure timely review

- Admissions application (\$20.00 application fee, non-refundable)
- High School Transcripts with a cumulative GPA of 2.5 or higher on a 4.0 scale or GED Score of 300
- High school math with grades of a "C" or above (three years recommended)
- High school science with grades of a "C" or above (three years recommended)
- Composite ACT score of 23 or higher (23 in Science, 21 in Reading), SAT Composite score of 1140, or a minimum score of 60% or proficient on the Test of Essential Academic Skills Version Five exam (TEAS-V)

* Receipt of all required documentation does not guarantee acceptance into the Nursing program.
