

Student Email Communication

All Robert Morris University students receive an email account upon enrollment. **The student email is the official channel of communication between the University and students.** Students are expected to read all communications in a timely fashion. All academic, financial and emergency alert information will be sent to the student email account. We suggest students check their University email on a daily basis.

If a crisis situation were to develop, we will utilize our ability to communicate critical information to students, faculty, and staff through a variety of flexible systems: including phone, email, and text messaging, as well as the university website, through recorded messages and text messages.

Students can request to opt out of text messaging, with the understanding that they will no longer receive any messages should an emergency situation occur.
